## JANUARY ZENITH AWARDS Imagine Math

**PREMIER SCHOOL:** The top math school in the district earned this nomination as the Imagine Math Premier School of the Month by being the school with the highest math score. The monthly Premier School award is based on the Imagine Math formula: **highest average pass math lessons per active student+ highest average of Math Helps per active student = Imagine Math Premier School of the Month.** This month's top school will be awarded Premier School trophy, a \$50 schools supply gift card, and an Imagine Math Premier School award certificate.

**PREMIER SCHOOL:** Marjory Stoneman Douglas Elementary

**ZENITH AWARDS SPOTLIGHT STUDENT WINNER:** Each month, five (5) hard-working students in the district will earn the nomination of Imagine Math Spotlight Student of the Month. To be the chosen for the monthly honor, students must pass 3+ math lessons to be automatically entered in to the monthly random contest.

The selected student will be awarded an Imagine Math Spotlight Student certificate which will be sent via email to your Imagine Math teacher.
