

# HOW TO CREATE A GROUP

## HOW TO CREATE A GROUP

You will find your groups by following one of the options below:

1. From "Student List (NEW)", select "Group" from the filter options on the left. Then, select the desired group from the list.
2. Hovering over the "Students" tab, and selecting "Student Groups" from the dropdown menu. Go to the "Select Group" dropdown menu, and click on the desired group's name.
