01: Receiving bilingual instruction in this subject (BCC).

05: Receiving instruction in English using ESOL strategies (CCE/ESOL).

34: Met Computer Literacy requirements.

39: No grade received because of limitations in evaluating process (awarding of a letter grade may be postponed until the last grading period; however, there must be documentation, on a nine-week basis, towards achieving the requirements of the course).

49: No final grade is assigned due to limited time of enrollment (when this comment is used, students will not receive credit for that course and it will have to be repeated).
